Letter No 153 dated 6th Novr 1929 from the Public Prosecutor, Shimoga, representing the necessity for having a clerk to assist him in the professional work that he is to render on behalf of Govt —

When it was proposed to sanction the appointment of a clerk to the Public Prosecutors of Mysore & Bangalore respectively it was observed by the then Law Secy (Flag A) that no clerk to the P Pr Shimoga was necessary since the Civil work in that Dn was not as heavy as that in Mysore or Bangalore. The reference of the P Pr Shimoga was accordingly answered then in the negative.

From a comparison of the statement of work in all the three divisions as in 1927 (Flag B) and that in 1929 (Flag C), it is seen that the work in Shimoga division which was in 1927 about half of that in Bangalore, is now very nearly equal to that in Bangalore. As such the present request of the P Pr, Shimoga for a competent clerk seems reasonable and may perhaps be sanctioned. The Fin. Sect^t has to be consulted. (The pay sanctioned to the clerks of the Public Prosecutors, Mysore, Bangalore is Rs 25/-)

In view of the increased work I think the appointment of a clerk may be sanctd as in Mysore & Bangalore

I agree. Can you find increased pay? Otherwise the matter may have to wait till next year

CG 17.11.24

The Chief Court may perhaps be consulted as to whether the charge may be met out of any of the heads under 18 - Courts of Law. When clerks were sanctioned to Mys & Bangalore in Sept 1926, the charge for the year was met out of the grant under 18-2 Courts Law Fees to Advs & other Law charges with the Consent of the Chief Court. The same head can be utilised now as there is no available amount.

MM 15/11 A. It is unlikely that the Chief Court can spare money for this purpose out of the funds of the Jud Dept. Nor does it seem possible to meet the amount required from any of the grants under '18 Courts of Law. 2 Law Officers.' MM 15/11 New appointment proposed can be sanctioned therefore only from 1st June 1930, after Consultation with the Dr. Sett.

SHIMOGA,

Dated 6th November, 1929.

To

The Secretary to Government,
Law Department, Bangalore.

Sir,

I have the honor to state that since the introduction of the Rules for the Conduct of Legal Affairs of Government in 19[illegible] volume of correspondence between my office and the various officers of Government and of Government as well has been increasing year after year, that the said Rules have necessitated the regular maintaining of registers to enable me to furnish to Government the quarterly Returns prescribed thereunder and that latterly Government work on the Civil side has appreciably increased entailing on me duties of a kind which should more properly be attended to by a clerk. It is needless to point out that prompt attention to correspondence and other routine matters is essential to the proper discharge of my duties as Public Prosecutor and Government Pleader and that there will not be sufficient time available to attend to legitimate legal work and the routine as well. It is therefore absolutely necessary to have the services of a competent clerk for my office. I have made repeated representations on the subject in past years, but have not been fortunate enough ~~in my petitions~~ to have my prayer granted. In this connection, I may be permitted to bring to your kind notice the fact that the Public Prosecutors of Bangalore and Mysore Divisions have been given the services of a clerk since 2 or 3 years and I feel confident that you will be pleased to extend the same concession to me taking into consideration all the circumstances set forth above.

I have the honor to be,
Sir,
Your most obedient servant,
N. Sesha Sastri
Public Prosecutor, Shimoga
